**NEWSLETTER INFORMATION/  
ARTICLES DEADLINE is 20th of each month.**

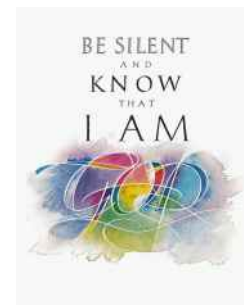

**Our Mission. . . “Working hand in hand to know Christ and make Christ known through Worship, Christian Education, Evangelism, Fellowship, Caring Ministries, and Service.”**

“The Parish News” a monthly publication of First Lutheran, linking Church and members’ homes, is mailed from Washburn, ND 58577, Bulk Postal permit #39.

During October we celebrate The Reformation, started by Martin Luther when he nailed the “Ninety-five Theses” to the door of the chapel in Wittenberg. We usually sing one of the hymns which Martin Luther wrote on Reformation Sunday – “A Mighty Fortress is our God.” There is not room here for the whole hymn – but look it up – read the words. It is paraphrase of Psalm 46.

Psalm 46:10-11 says this:  
“Be still, and know that I am God.  
I will be exalted among the nations,  
I will be exalted in the earth!  
“The Lord of hosts is with us;  
The God of Jacob is our fortress.”

And so we sing “A mighty fortress is our God,”  
The last stanza of the hymn goes like this:  
God’s Word forever shall abide,  
no thanks to foes, who fear it;  
for God himself fights by our side  
with weapons of the Spirit.  
Were they to take our house,  
goods, honor, child, or spouse,  
though life be wrenched away,  
they cannot win the day.  
The kingdom’s ours forever!

God’s Word is what inspired Martin Luther to write those 95 Theses. God’s Word is what will inspire us to trust our Lord be not only our “fortress” when times are getting tough, and God’s word will also inspire us to trust our Lord to be our Savior. God’s Word abides forever. God’s Word tells us of God’s love and forgiveness. Start a reformation in your life – Read God’s Word!

See you at worship!

# FIRST LUTHERAN YOUTH

By Laura Gardner

Well we have officially kicked off our Youth Group year! I am so excited about the great group of students we have this year. We have close to 20 active members which is something to be very excited about. Our first thing we want to accomplish is making fleece blankets for the children's hospitals in Bismarck and for the children in Pine Ridge. We will be collecting 2 yard pieces of fleece for this project. If you would like to help with this project, contact Laura or you can leave your fleece donations in the Youth Room.

We are excited to announce that we will be returning to Pine Ridge this summer for our mission trip! We will go through NextStep Ministries again and link up with youth from around the country to love on and help the people of Pine Ridge. We haven't set our date yet but we will keep you posted on our plans and upcoming fundraisers for this trip!

I know, I know, you are getting really sick of seeing this same paragraph about Pizza Day. Here's the thing, if we didn't need the donations for it, I wouldn't be asking for your help on this monthly project. The impact is great and it's been an amazing ice breaker to get kids in the door and comfortable in a church. Every dollar, package of cheese or even donation of dough helps out immensely!

Here's a few dates to jot down:

Oct. 3<sup>rd</sup> Pizza Day

Oct. 6<sup>th</sup> Casting Crowns Concert, Minot

If we don't teach our youth to follow Christ, the world will teach them not to.

# STEWARDSHIP CENSE

## STEWARDSHIP AND HURRICANE FLORENCE

It seems (at least to some) that our storms and hurricanes and weather in general is getting worse! This may or may not be depending on your views on global warming or cooling or whatever. I'm not even sure where I stand on the issue of today's weather changes and global climate. But here's something I **DO** know....that no matter how bad the storm or disaster or cataclysmic event, God **always** sends his beautiful volunteers to help. And what volunteers they are!

**Red Cross** and **Samaritans purse** alone have donated millions of gallons of bottled water and ice to victims. Watch for the final stats on these groups. I'm sure you will be astounded! I was taken aback when I heard there were as many as 20 thousand meals a day being prepared by volunteers (many of whom are victims themselves, which is amazing in itself). One victim opened up his battered restaurant, so he could serve chicken to as many people as he could before he finally ran out and had to shut down. Even our own President handed out meals! Did you see all the water and housetop rescues that were being made, many at

the peril of the rescuers themselves?

It's also amazing to me how many states immediately send many of their own trained volunteers, North Dakota being no exception to this, sending our own Red Cross and disaster trained volunteers as quickly as possible to help out. How people recover from these events is a mystery to me, but here's what I do know...when it comes to disaster stewardship, God has it handled! God **always** provides the men, women and even children to let these people know they are not alone and that there is help for them in their distress. Please don't forget to do your part by donating whatever you can afford to any of the **many** volunteer organizations that are involved in the relief efforts, just be sure to check them out first to see that they are a good and viable organization. Believe me, every dollar will be appreciated and put to good use. Stewardship? 'Ya betcha! God bless them all!

Happy fall 'ya all! See you next month.
